Benefits of Membership

Staying competitive in the business world means getting new skills and knowledge on a continuing basis. Society of Technical and Management Professionals is a recognized leader in professional development—and becoming an STMP Member is a great way to take advantage of our world-class seminars and many valuable resources.

STMP Membership plans offer you a wide range of exclusive benefits, including preferred pricing (at least 10% off all STMP seminars for most plans) and up-to-date management and business information to help you keep your professional development ongoing and promote management excellence for all employees.

- STMP members benefit from Monthly news emails, providing a round-up of news from around the world and details of upcoming Events and special member discounts, and the STMP quarterly and biannual Journal.
- Members can get involved – either by joining one of our committees or working groups or taking part in one of our many events.
- Members will get 10% discount on every conference registration and publication fee.
